Note: The number for each high and low tide indicates the height in feet above or below sea level. This chart shows tides for the mid-coast of York County; tide times are a few minutes earlier to the north (Old Orchard Beach) and a few minutes later to the south (York Beach). Tides are affected by the weather and cycles of the moon; the actual times and tide heights can differ slightly from the predictions above.

From the Art! River Tree Arts in a Lower Village Kennebunk readies for its 6th Annual 100x100 fundraiser happening Friday, September 6 from 6:30-8 PM. This is an ever-popular, one-day event, where 100 pieces of art are offered for \$100 each with all proceeds going toward River Tree's programming. Committee members Nicholas Howley, Marguerite Genest and Paula Gagnon start to curate the show.
